## Before & After Results

Depending on your severity of hair loss, microneedling requires a minimum of **3 to 6 months of weekly treatments to see significant results.** Our microneedling expert will follow you through your entire process.

## Our Microneedling Process

The Brow & Beauty Boutique Microneedling stimulates the production of collagen and elastin in the scalp, which leads to improved blood circulation & enhanced hair follicle function.

### 1. INITIAL CONSULTATION

Our microneedling expert will inspect your scalp to provide you with a strategy for which areas can be targeted.

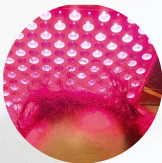

### 2. APPLICATION OF GROWTH PEPTIDES

Our proprietary growth peptide serum will be applied to your scalp for 10 minutes. This allows full absorption and for slight numbing to kick in.

### 3. MICRONEEDLING PROCEDURE

Tiny punctures will be made to treatment areas at fast revolutions using surgical grade microneedles at a dept of 0.5mm to 2.0mm

### 4. SCALP RED-LIGHT THERAPY

To boost healing, blood circulation and the proliferation of hair follicles, your scalp will be exposed to 630 & 670nm red light

### 5. AFTER-CARE CONSULTATION

An aftercare consultation and a healing kit will be provided to you. Our microneedling expert will also provide you with additional advise on how to increase hair regrowth.
